Dear Sir

I received read to the Assembly your letter of Saturday last. They remitted it to this Committee on Sabbath observance with instructions to correspond with the friends of the Cause both in England and America, and specially directed their attention to the particular form of Sabbath desecration referred to by you. viz. the sailing of Government Steam-packets on the Lord's Day.

The Assembly have instructed me to return you their thanks for your communication & to express their regret that you were prevented from addressing the Assembly in person. Believe me to be

Dear Sir
